

LPG Original Kit

Pro kit-B/H/C

Made in Europe

The Regulators are ideally suited for mobile heavy duty applications. **Snap Safe** Protection is the answer to lifting safety to a new level. The HARRIS mixing system uses gas at much lower pressure i.e. 1.5Kpa on LPG which provides gas savings and increased safety.

Operator's will enjoy that the high flow handle, will suit right hand and left hand users. Cutting attachment has a built in "ease-on" valve, for less sparks when starting and hot tips ensure quick starting. Kit includes Reg-End Flashback Arrestors and Flashguards on the Handle.

Flashguards
